

Ania, Ania, always studying, never thinking about your future. And what will you do? What will be your job?

Well, since I am studying Visual Cultures and Anthropology, maybe I could become... Umm, well...

Can you believe this?! She cannot even answer a simple question. And what is Visual Cultures and Anthropology anyway? It's not even a proper discipline!

**Oh Ania, Ania.
You will end up like your
cousin Kasia, working in a
bar in London - no home
and no boyfriend. What a
shame for the family.**

**Why can't she
be a surgeon
like her cousin
Asia? At least after all
those years of studying
Asia makes good money.**

Time went by and Ania finally came close to graduation...

Do you have plans for what you are going to do after university, Patrycja?

Oh... I am not sure. I have got an offer from an art gallery... by the way, there is a fantastic private view tonight, do you wanna come?

Sorry, I can't - I have to go to my internship tonight, and later I have to work on a funding application.

She is so amazing, she knows everyone, How does she do it?

Patrycja Pelowska, daughter of Jan Pelowski, owner of the Pelowski Arts Centre.

After many attempts, Ania finally got The Grant...

**Grant
Mother**

**MAGIC
MOMENT**

Dear Ania,

We have received your letter and are **pleased** to inform you that your application was **successful**. Congratulations!

We will be looking forward to your letter

I don't know, but if this makes her happy...

What does it mean that this grant is just for one project ?!

**After a while
the grant
was spent and
the spell
was broken...**

**Why are you going
back to school? What
happened to the grant?
Does this mean that
you're unemployed
again?!**

Dear Ania,

We have received your letter and **regret to inform you that** due to the overwhelming amount of strong applicants, **your application was not successful.**

Best regards,

**Why don't you
talk to your cousin
Kasia in London?**
